Communists Take Power In China Guided Reading Ch 17 Sec 2 Answers | b54598a6fb48db6268372e019b6a22c1

This is the opposite to capitalism where there is money, a state and class. In capitalism, there is a working class (people who don't own the means of production) and the capitalist class (people who own the means of production). Communist thinkers believe this can happen if the working class take away the power of the bourgeoisie (the capitalist class, sometimes called the ruling...Dec 04, 2021 · BEIJING (AP) — China's Communist Party took American democracy to task on Saturday, sharply criticizing a global democracy summit being hosted by President Joe Biden next week and extolling the virtues of its governing system. Party officials questioned how a polarized country that botched its response to COVID-19 could lecture others, and said that efforts [...][Communism definition, a theory or system of social organization based on the holding of all property in common, actual ownership being ascribed to the community as a whole or to the state.
